PUBLIC FORUM FOR NEW MAIN LIBRARY IN THE PARK

The East Baton Rouge Parish Library will hold a public forum for the new Main Library in the Park on Thursday, August 14, from 3:00 p.m. to 7:00 p.m. at the Main Library, 7711 Goodwood Boulevard. The public is invited to view various architectural design concepts for the new Main Library in Independence Park and offer input. Sketches and renderings of design concepts under consideration will be on display. Members of The Library Design Collaborative, the architectural team selected for the project, along with library staff will be on hand to answer questions and record comments.

This architectural design concept plan will serve as the template for the next stage of schematic design for the project. The anticipated groundbreaking for the new \pm 100,000 square foot Main Library is 2009, with a completion date set for 2011.
